

**TO THE HONOURABLE PRESIDENT AND MEMBERS OF THE LEGISLATIVE COUNCIL OF
NEW SOUTH WALES IN PARLIAMENT ASSEMBLED**

This petition of certain citizens of New South Wales brings to the attention of your Honourable House the passage by the Victorian Parliament of the Abortion Law Reform Act 2008, which has in Victoria led to the endangerment of the lives of an even larger number of unborn children than were threatened by prior legislation, by allowing an unborn child to be killed up to 24 weeks of gestation by the decision of one medical practitioner and beyond 24 weeks of gestation by the decision of two medical practitioners.

Your petitioners call upon your Honourable House to uphold the sanctity of human life and to defend the fundamental right of children to be born, by rejecting any and all attempts by advocates of abortion to initiate in New South Wales legislation emulating the Victorian Abortion Law Reform Act 2008, and your petitioners call upon your Honourable House to seek ways and means of promoting to the people of New South Wales the truth that each baby is a wonderful gift from God, deserving protection and nurturing from conception.

And your petitioners, as in duty bound, will ever pray.
